A Word from the President

Treva Faires

I want to thank all the dedicated Wichita Kennel Club members! We have had a challenging year and continued to grow and prosper. I want to personally thank all those who have stepped forward and helped with all the various projects. The Sunflower Cluster and The Wheatland Cluster are two of the best shows in the area. They do not just happen. They take a lot of hard work and time. Along the way we have lots of fun and share companionship with fellow members and exhibitors.

Please continue your support of the Wichita Kennel Club. Become involved and stay involved! In the 2010 I hope to see all of you at our meetings and various activities.

I wish you all a very blessed Holiday and a wonderful 2010!

DELEGATE’S REPORT

At the December, 2009 Delegates’ Meeting the two items of interest that we will be voting on are: (1) amending the wording somewhat for the Bred by Exhibitor Class to bring it in line with the wording in the other classes and (2) allowing for awarding of Grand Championship points, allow for a ribbon for Select Dog and Select Bitch awards in connection with the Grand Champion of Record title; and a new Grand Champion Award. The other votes have to do with Beagle Field Trial rules.

We will have a reading on: (1) Dog show entries: eliminating the use of telegrams to change or cancel entries, as telegrams are now obsolete. (2) Duties and Responsibilities of Show Veterinarians: updating the requirements for show veterinarians to better accommodate on-call vets and to REQUIRE CLUBS to inform them of their duties. (3) Protests Against Dogs: intended to include the Event Committee in the process of removing dogs from the show, to eliminate the requirement for a form and to assign the fiscal responsibility for vet expenses.

If any of you would like to see the exact wording of the above proposed changes, I will have them at the December dinner meeting. I would welcome any comments or discussion on these items.

Last month the AKC launched its new AKC Canine Partners program for mixed breed dogs. More than 1,200 mixed breeds have enrolled and more than 365 AKC events have been approved (starting April 1, 2010) to hold mixed-breed classes. Please see www.akccaninepartners.org for more information

WKC Member Brags!

Tom and Leanne Chase Report: Since Berger Picards can only show in UKC events, Zed (Zephyr de la Vallee du Mouton), Nitza (Nezvolena iz Russkoi Dinastii), and Leanne have been going to (relatively) local UKC events.

On October 24, Nitza won a Group 3 at the Frontier Belgian Shepherd Dog Association in Golden, CO show which finished her UKC championship. Zed had just turned a year old, and he was the only picard at the show. So he got lots of interest, as he went around meeting and greeting. Zed won Group 4 at the first show on Sunday, October 25. Since the weather was going bad, we only stayed for three of the four shows.

On the weekend of November 14 & 15, Zed and Leanne traveled to Norman, OK for the Oklahoma American Eskimo Dog Club show. At first shows on Saturday and Sunday, Zed won Group 3. I was so proud of him, as he showed really well.

This past weekend, Tom, Nitza, Zed, and Leanne went down to Hutto, TX for the Bluebonnet All Breed Dog Show. He showed very well for the first show on Saturday, winning a Group 1 and Reserve Best in Show! Not bad for a boy that just turned 13 months old. He followed up in the afternoon winning a Group 3. On Sunday Zed won two Group 4s. Nitza won a Group 3 and 4 on Saturday.

Zephyr de la Vallee du Mouton (Zed) with Judge David Kittredge in Norman, Oklahoma.

AKC EXHIBITORS' RULE CHANGE

Chapter 11, Section 1.

No dog shall be exhibited in a licensed or member dog show, except for dogs entered in the Miscellaneous Class unless it is either individually registered in the AKC Stud Book, or individually registered with a foreign registry organization whose pedigrees are acceptable for AKC registration. A dog with an AKC limited Registration shall be ineligible to be entered in a breed competition in a licensed or member dog show.

An unregistered dog with an acceptable foreign registration that is individually registered with a foreign registry organization whose pedigrees are acceptable for AKC registration may, without special AKC approval, be exhibited in licensed or member dog shows that are held not later than 30 days after the date of the first licensed or member dog show in which the dog was exhibited, but only provided that the individual foreign registration and name of the country of birth, are shown on the entry form; and provided further that the same name (which in the case of a foreign-registered dog must be the name on the foreign registrations) is used for the dog each time.

No dog that has not been individually registered with The American Kennel Club when first exhibited in a licensed or member dog show shall be eligible to be exhibited in any licensed or member dog show that is held more than 30 days after the date of the first licensed or member dog show in which it was exhibited, unless the dog's individual AKC registration number is shown on the entry form, or unless the owner has received from The American Kennel Club an extension notice in writing authorizing further entries of the dog for a specified time with its individual foreign registration number. No such extension will be granted unless the owner can clearly demonstrate, in a letter addressed to the Show Records Department of The American Kennel Club requesting such extension, that the delay in registration is due to circumstances for which he is not responsible.

Such extension notice will be void upon registration of the dog or upon expiration of the period for which the extension has been granted if that occurs earlier, but upon application further extensions may be granted.

Treasurer's Notes

WKC Treasurer, Tom Chase

With all of the recent news in the U.S. about home loan defaults and foreclosures, it seems like a good time for an update on our building loan. You'll be happy to know that we're not having any trouble in making our mortgage payments. We bought the building in May 2004 and financed \$60,000 at 6.25% in a 20-year loan with interest rate adjustments scheduled every five years. Our first rate adjustment occurred this May, and the interest rate went up slightly to 6.3%. For about the first five years of the loan, we made just the scheduled payments.

If any of you have invested in a bank Certificate of Deposit (CD) lately, you know that interest rates are just awful right now. Our bank (Fidelity) is currently offering just 1.1% on a one-year CD. It doesn't make too much financial sense to have money invested in CDs making less than 2% when we're paying 6.3% on our building loan. So in the past year the Board decided to use part of the money from maturing CDs to pay down the building loan instead of investing it in new CDs. For the past year we've also been paying an extra \$100.00 per month against the loan principal. At this point we still have an adequate cash reserve and have paid down the building loan balance to about \$21,500. If we do nothing beyond the additional monthly principal payments, the building will be completely paid off in July 2013 instead of the May 2024 date that would have been the final payment date, if we had not made the extra payments. So we're in great shape with the building loan. If we continue to have financially successful shows, we might even be able to bring that payoff date closer.
