# WKC SNIFF 'N GO

## **MORE INFORMATION:**

- Spectators are **MORE THAN WELCOME** and there is no charge for watching, but no unentered dogs, please, and hold questions for breaks in judging. We don't want to create any distractions for working dogs. So please be courteous and quiet!

In addition, only dogs that are on odor will benefit from this, as we won't be able to assist people to get their dogs on odor if they are not already familiar with Birch! This is intended as a trial prep for Novice teams, or practice for more advanced teams if they desire, but should be interesting and educational for anybody interested in becoming involved in Nosework.

- Only Birch odor and Novice runs will be offered!

- All dogs must be on leash at all times, and **PLEASE**, pick up after your dog! Look for signs marking the designated potty area, so as to not soil the exterior search areas.

- Benching will be in cars (and **MANY** trials do this), so come prepared for your dog's comfort, with water and bowls, someplace comfy to relax between runs, a fan/shade screens/etc. if the weather is warm, and a blanket or warming pad/disc for cold sensitive dogs if it is cold! You might want to bring people food if you are staying, as I am not sure what restaurants are nearby.

- Teams that want to run the entire trial are advised to get there as early as you can to be able to enter and run all the elements! At least 2 judges will run elements at the same time, so the teams can move from one judge to the next with reduced wait time, but if the turnout is large, we may only be able to offer one run per team of each element. You will get a "score sheet" when you enter that you will take to your "judge", and we will run as many teams as we can before moving to another element. Since what we do is weather dependent, we won't be able to determine element order until the morning of the event, but it will be posted, along with run order, at the check-in table. We will have a general briefing at 9:00 AM, with runs to follow.

- a 25% discount is being offered to teams that enter all elements prior to 9:00 AM day of event (\$22 for all 6 elements!)

- Remember your treats, your leash and collar or harness, and your enthusiasm!

**LET'S HAVE SOME FUN!!**
