A Word from the WKC Treasurer — Tom Chase

It's only about five weeks until our biggest event of the year, our Sunflower Cluster Dog Shows!

We have this one chance each year to show our exhibitors, our vendors, and the people of Kansas that we know how to put on a great dog show. In order to do that, we all have to give it our best, helping out wherever help is needed. So please give Treva Faires or Mike Williams a call and let them know when you can be available. We will start setting up on Tuesday, June 7th, and we will tear down Sunday afternoon, June 12th.

I hope to see all of you there!

Tom

Wichita Kennel Club General Meeting Minutes

April 11, 2022

The business portion of the meeting started at 7:28 PM.

Nine members were present with two guests. The guests were Patricia Swearingen and Kyle Winzer. Patricia has her application in to join the club, and she has stepped up to be the Cluster Pee Wee Chair.

President, Jackie Storrer – Jackie asked if everyone had seen a copy of last month's meeting minutes. All said they had seen the minutes in the newsletter. Mike Williams made a motion, and Patricia Holmes seconded, to accept the minutes as published. The motion passed unanimously.

Corresponding Secretary, Mike Williams – Nothing to report.

Recording Secretary, Mike Williams – Nothing to report.

Treasurer's Report – Mike Williams, Reporting for Tom Chase – Scent Trial made a little over $1,500. The bills are all paid. He is paying Insurance monthly as opposed to paying it all at one time. Money to support the Cluster account has been transferred to the cluster account. Not much change in anything else since the last report.

Committee Reports:
Mike Williams reported that our judges are all hired for our June show. We might have a 5 or 6 hundred dog increase. We are looking at a different building to put obedience in so we can use Sunflower North for additional crating space. Details are not worked out yet. Catalogs will be sold in a couple of locations. No COVID-19 table required at this time. We will have a greeting table. (Directions, etc.)

Mike complemented Tom and Leanne Chase for providing the Pooper Station out front. Please use it.

Mike reported that there will be Meet the Breeds this fall on September 14th at the Kansas State Fair Grounds in the old horse arena. The Hutchinson Kennel Club will be running agility and other activities on the dirt. Meet the Breeds will be on the concrete inside on the north end of the arena. (Same as last time we held it there.) Meet the breeds will run from 9:00 AM until 7:00 PM. You may come and go as you wish. You do not have to be there all day. More details to come

Jackie asked if there was any unfinished business or new business to come before the club tonight. There being none Mike Williams made a motion, and Lori Hays seconded, that the meeting be adjourned. The motion passed unanimously.

Respectfully submitted by,
Mike Williams

NOSE WORK NOTES

Continued from February: AKC's rules for Scent Work judges -- Search Designs by Class Level. (http://images.akc.org/pdf/rulebooks/AKC_Scent_Work_Judges_Guidelines.pdf) To ensure continuity of difficulty by level, the following guidelines must be followed when designing searches:

THE DETECTIVE CLASS

• Goal: A complex search with the added challenge of a large search area incorporating interiors and exteriors. The Detective Class is intended to provide an ultimate challenge for the handler and dog. The handler will experience unknown number of hides, large search areas, and complicated odor problems. This level is intended to showcase the team's teamwork.

• Competitors should NOT encounter hides that are indistinguishable from each other which could cause double calls or the handler assuming that the two hides are one.

• Competitors MAY encounter challenging odor problems with converging odor, elevation, eddying, pooling, channeling, etc.
