

Tips to Survive the Nosebleed Section

Solving Problems in the Master and Detective levels!

(Individualized to challenge each team.)

Building opens at 7:30
Seminar Hours: 8:00 to 4:30
Includes a light breakfast & lunch
for all attendees.

Teams will work “real-life” environmental problems, with all elements fair game, including blank areas/rooms. The Seminar is also suitable for Elite levels of NACSW or UKC.

About the Instructor: Deanna Butler Detective Level with High Hides and Converging

- Expert canine handler and trainer with 20+ years of experience, judge for AKC, UKC and NACSW and founder of American Canines for the Environment
- Nationally certified through North American Search Dog Network (2001-2003), National Search Dogs Alliance (2003-2005) and United States Police Canine Association (2005-2018)
- Holds certificates in Lost Person Behavior, NIMS (100, 200, 700, 800, 809), Hazmat, Bloodborne Pathogens, Emergency Response Planning and Crime Scene Preservation
- Nationally certified in K9 Trailing, K9 Area Type II and HRD Type I.
- Instructor for 4 States K9 Seminar (2010) and East Oklahoma K9 annual seminar in Human Remains Detection (2006-2018)
- Assistant instructor for Forensic Anthropology Canine Training (2014 & 2015)
- Deployed to assist numerous disaster efforts including Moore, OK tornadoes (1999 & 2013), Wimberly, TX flood (2015), Devils Den, AR flood (2011) and Sand Springs, OK tornado (2015)

About the Instructor Faith Murray Commitment to Odor with Distractions

- Has been working and training in various dog sports for over 10 years
- Started training in scent work with her pup Havoc about 2 ½ years ago. It became a full passion for dog detection work.
- Graduated in May 2022 from the AK9I K9 School of Virginia. Certified as a Patrol/Detection Trainer and Handler. My K9 partner, Spence, was trained in detection and tracking during the thirteen-week course.
- Owns Lotus K9 Academy serving the Dallas/Fort Worth metroplex with obedience, Nosework, detection, tracking, pet manners.
- Handler for American Canines for the Environment. Most recently on a project for the University of Georgia counting the population of Long Tailed Weasels in the Blue Ridge Mountains.
